MEMORANDUM FOR: Chief, Records Administration Branch  
 SUBJECT: Floor Space Occupied by Filing Equipment

In response to an oral request by a member of your staff, the following figures are forwarded. They reflect an approximation of floor space occupied by filing equipment in the DDO. Time does not permit a more accurate figure. For example, free standing two-drawer safes are not included. Also, such items as bookcases, storage cabinets and certain unique type filing equipment, may not be included. The figure for ISD is a very rough estimate and does not include space occupied by computer files storage equipment.

DDO + 7	2171 sq. ft.	TSD	3735 sq. ft.
